

SHOW YOUR SUPPORT FOR SOUTH CAROLINA'S NATURAL RESOURCES

The Saltwater Conservation Vehicle License Plate, “**Gone Fishing**” features South Carolina’s most popular saltwater gamefish, the red drum.

Funds from the sale of the plate will help protect and enhance South Carolina’s marine resources.

The cost of the plate is \$75.00 in addition to the regular registration fee.

To purchase a one-of-a-kind license plate contact your local South Carolina Department of Public Safety’s Division of Motor Vehicles or visit www.scdmvonline.com.

The new South Carolina Endangered Species license plate features the loggerhead sea turtle.

The price of the new state endangered species vehicle license tag is \$24 in addition to the regular registration fee. Proceeds from the sale of the plate will go to the Endangered Wildlife Fund to be used for the preservation of South Carolina’s endangered animal and plant species and their natural habitats.
